

## HERE'S WHAT OTHER PARENTS HAVE HAD TO SAY ABOUT KA HANA PONO...

"Ka Hana Pono and it's devoted teachers and staff provide a safe, open and loving environment for our two children to grow and thrive. Kids are allowed to be creative. To move and adapt in a way that fulfills them. To learn at their own pace and be inspired by music, dance, art, letting their inner light shine. The owners, Angelica and Bison, are truly inspirational, supportive of parents and maintain professionalism with heart. That foundation is what makes this daycare and preschool one-of-kind. We love our Ka Hana Pono family and the strong bonds and lifelong friends created during our children's time there."

"My child's 3 year experience at KahanaPono has been very rewarding. I believe that a good relationship between the child and the teacher will establish a good foundation for the child's learning abilities. Here at KahanaPono, my daughter felt comfortable and safe. Learning was always fun for her. Circle time was her favorite activity to do. Uncle Bison would play his guitar and sing to the children and they sang and danced along with him. Learning was always fun and exciting. I watched my daughter develop physically, emotionally, and intelligently here at KahanaPono. It's been a pleasure to work with Angelica and Bison to ensure my daughter reaches her full learning potential. We not only found the best preschool teachers, but we also found life long friends here at KahanaPono."

"Auntie Gel was our savior. When nothing else was working out, she opened her arms to us, and suddenly there was peace. "I just don't think childcare should be hard", she said to me once, when I couldn't stop thanking her enough, for helping me once again. Within a week, they are like family. There is nothing that beats the feeling of leaving your child with someone who truly loves them. If I have another child I will be putting in advanced notice to make sure we have a spot! I hope Auntie Gel is in my son's life forever. Open a homeschool program already, we want to come back!"

"My daughter just graduated from Kahanapono at the age of 4. It was her first and only daycare. She was there for 2 years. They are really good with kids at that age. All the snacks they provide are healthy and mostly organic. We love Auntie Gel, Uncle Bison, Raven, Kiva, Casius and the new addition Sequoia !! They teach music, gardening, arts and crafts, and it is a very happy, friendly and warm environment. It was the best decision I have ever made !!!"

"Thanks for helping to instill such a love for the outdoors in our little ones -xxxooo"

"My daughter was so blessed to attend ka Hana Pono for almost 3 years. She was so happy there. She learned to play, empathy and responsibility towards others and the earth. Focused on play and gardening and art and music. She's now attending sacred hearts in town and doing great. We miss all the fun and love for the ka Hana Pono family and ever so grateful for the experience."

"Ka Hana Pono is the best thing you can do for your kids. My child learned, grew, and felt life every day she was there. Leaving khp was the hardest part of leaving hawaii."

"You have no idea how gratefully I am for you and Bison. My daughter loves you both so much. On her journey with Kahanapono she learned so many good things. I will never forget her beginning..... when everyday I thought you would kick us out because of her constantly cry, but with your patience she started warming up, making friends, singing songs, loving her ukulele ( that is definitely because of Bison ) .....and now, everyday when she wakes up she loves to go to school."

"We love u guys - I feel so fortunate that we found each other!"

"It fills my heart to know my child will be with people who recognize the infinite wisdom within each of us."

"Both of my kids loved going to Ka Hana Pono and thank you so much for your love and caring for our kids just like your own :)"

"Thank you so much for being so open and willing to listen to parents wants - not necessarily needs :) Love you!!"

"Eat the season, eat local, buy local....very good information no matter where you live. Love that Jet's preschool serves organic non-GMO snacks and teaches them the importance of growing your own food and eating healthy. Not to mention the amazing education, music, singing, dancing and loving kindness every single day. Thanks Auntie Gel and Uncle Bison at Ka Hana Pono for your inspiration!"

"I was so happy to find Ka Hana Pono. My daughter had been to several different types of day cares before KHP. We never felt quite right about any of them, but we both had to work, and we didn't know if we would ever feel right about any day care. Then we found KHP. I truly felt that Bison and Gel loved my daughter. I felt that they gave her the type of nurturing that our family would give her. We will forever treasure our time there. I can still see the positive influence that KHP had on my daughter years later. Thank you Gel and Bison!!!"

"My daughter just graduated from Kahanapono at the age of 4. It was her first and only daycare. She was there for 2 years. They are really good with kids at that age. All the snacks they provide are healthy and mostly organic. We love Aunty Gel, Uncle Bison, Raven, Kiva, Casius and the new addition Sequoia!! They teach music, gardening, arts and crafts, and it is a very happy, friendly and warm environment. It was the best decision I have ever made !!! "

"When you have your first child and it's your only child, he is the most important thing in the world. To intrust someone else to watch over and basically help raise your child you want those care takers to be very trusted and of good moral values. Ka Hana Pono are those people!!!"
